A FUNDRAISER YOU CAN BE PROUD OF

Welcome to Raise Craze! We're so pumped you've discovered a new, meaningful way to fundraise. Founded by parents, Raise Craze transforms the way you fundraise and enables you to keep more. **The difference? Kindness!**

Trying to plan a traditional fundraiser around existing parenting obligations, work duties and other life demands can feel overwhelming. (That's where we come in!) With Raise Craze, the pressure to sell things is eliminated. Instead, our model fosters a meaningful experience that encourages students and players to express their gratitude by paying it forward in the community.

Donors are delighted to learn that Raise Craze participants extend their generosity impact by performing acts of kindness for others. Perhaps best of all? Your school, team or group keeps at least 90% of donations earned.

From making blessing bags for the homeless to collecting canned goods for your local food bank - no act of kindness is too small!

WHAT IS RAISE CRAZE?

Raise Craze is an online platform that enables participants to set up secure, custom websites where they request donations via email, text or social media. During the fundraiser, players pay it forward by completing acts of kindness for others!

Wait - paying for kindness? No way! This is all about paying it forward, NOT getting paid to be kind :-)
Participants give back whether or not they raise any money.

Donations directly support your school & your community! Players show gratitude to all donors by finding ways to pay it forward through kindness and service -- extending the impact of each donation! Woohoo! 🎉

ALWAYS THE RIGHT CHOICE!

Transparent Pricing to Donors & Parents

With Raise Craze, your organization keeps 90% of the money raised (compared to an average of 50% with other fundraising platforms).

Quick & Easy

Our streamlined approach is designed with busy families and coaches in mind. Participants can sign-up and participate within seconds!

THE PLAYER EXPERIENCE

The participant's interactive dashboard provides them with real-time tracking of acts of kindness completed & donations received - both individually & team-wide!

Step 1

Register via the unique link created for your team. You'll need a parent's help if you are under 13.

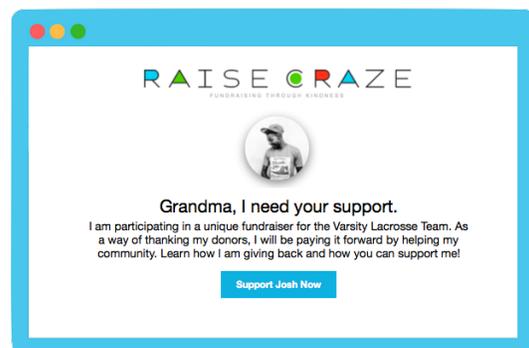

Step 2

Select how you are paying it forward. Are you serving together as a team? Individually? Both?

Step 3

Enter email addresses of family, friends and neighbors. *Emails will never be shared with third parties or used for marketing. Texting & social media also supported.*

Raise Craze will take it from there, sending all emails, reminders, and thank you's. *Players can spend time serving instead of selling!*
